

PTA Newsletter October 2024

Your termly fundraising and event update

£11,000

The amazing total you made for the school last year!

Over the summer months our fundraising efforts were incredibly successful, including the pool party that made over £400, ice cream's after school were a hit and made over £700 and the ever popular summer fair made an impressive £2200.00

Without your invaluable support these figures would not have been possible, thank you!

Forest School Progress

A huge thank you to the previous PTA teams whose fantastic fundraising has allowed the creation of our very own on-site Forest School.

Enhancements are in progress, with a fantastic canopy being installed within the next few weeks. There is also a wooden tee pee and seating area, along with a mud kitchen in construction. We are also very proud to have been selected for the Tesco Stronger Starts Scheme.

Tesco Stronger Starts

Please remember to ask all your friends and family to vote in Faversham Tesco via blue tokens to help us raise more money to continue developing our forest School. From now to mid January!

100 Club

The PTA are re-introducing the 100 club, stay tuned for an update on how you can take part in the school lottery.

Easy Fundraising

Just by simply signing up to the Easy Fundraising App (free of charge) you can make £2 for the school! Please spread to family and friends. Easy fundraising is a terrific way of making money easily when you make purchases with certain retailers online. Every penny you make here gets spent on purchasing new library books for the school.
