Latest news

Our goal is to create a magnificent Forest School facility for the children. This is the primary WHY for all of our current fundraising efforts. On the next page, you will see some images of what things are looking like!

We are also raising funds for a permanent school uniform shed which we want to be accessible at all times.

Our fundraising also facilitates the drumming and VR headset workshops, school pantomime and leavers treats.

Thank you to **In From the Fields** for a hugely successful wreath making event on March 2nd. It was a fabulous 2 hours of fancy flowers, fiddling and FUN! THANK YOU! We cannot wait for the next workshop!

Co-Chairs Message

We thought a newsletter is a good way to keep you informed about what we are planning, when, why and how you can help.

This is new, so we are very much open to suggestions from you. What you want to see featured? What do you want to know? Please contact us to ask questions, share ideas or feedback. We are all ears.

We have a great team of PTA volunteers and are excited to work hard raising money on behalf of the school and the kids. We are your team, your PTA. Hayley and Helen.

Tracking our Progress

Did You Know?

You could be sitting on a gold mine!

There are many companies that match donations to charities like ours. Some match any contributions that you pay regularly to a charity £1 for £1 and others will match the total amount raised at fundraising events if you as an employee have volunteered at that event! FREE MONEY!

It is worth asking your HR department if this is something that they offer.

Here are some companies that we know match donations in some way: Abbey National, Argos, AstraZeneca, Bank of England, Barclays, C&A, Camelot Group, DHL, EMI Group, Exxon Mobil, GlaxoSmithKline, HSBC, JP Morgan, Merrill Lynch Mercury, Microsoft, Morgan Stanley, National Power, Pfizer, Proctor and Gamble, Reuters, Shell, Sky, Stagecoach, Tesco, Texaco, Thames Water and Vodafone.

PTA Members

We are always welcoming new members to our PTA team. We love new ideas and initiatives, we enjoy collaboration and would love to have even more people join us.

We meet at school and offsite officially and socially. We keep it casual and fun.

The next meeting is Friday 19th April at 2:15pm at school - come and join us! Let us know that you're coming so that we have enough room, tea and biscuits!
